

Band Requests small drum riser if possible (but not necessary)

Band to need adequate power receptacles at 3 locations - Rear stage left – rear center and rear stage right

Drummer has “in ear” monitor system will need 1/4 in cable from monitor mix to drum set area

Keyboard supplies own monitor

Band realizes 5 monitors not necessary across front of stage, respectfully requests at least 3

Lead Vox #2 supplies own wireless and In ear monitor (if not a problem for house tech)
